Advice and support in our District

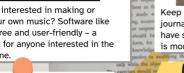

We're #StillHereToHelp

ır own music? Software like ree and user-friendly – a for anyone interested in the

rafts and photos

Keep a diary of your day-to-day life. journaling is not only therapeutic, you'll have something to look back on when life

Plan your future. During these strange and uncertain times, it's more productive and healthy to try and focus on the things you can control. Now w nave more time to refocus our aims, find new interests and gain new skills and qualifications to widen your career options for higher education and employment.

## Digital work

A collection of work created using primarily vector graphics.

Deeper into the silent city they went like wraiths of green.

## Drawings

I'm a prolific drawer with hundreds of drawings of a variety of subject matter. From people to places to animals and ideas.

### Game projects:

I've worked on a number of projects including. A 2D mini-game, an AR prototype and several personal projects.
